Program - History for Transfer AA

Program - History for Transfer AA

Program Student Learning Outcome: PSLO 1

Construct a historical thesis that could be supported by selected primary sources from the era covered by the course.

Outcome Approved: 08/01/2013

SLO Status: Active

Means of Assessment			
Assessment Method	Expected Level of Achievement	Assessment Schedule	Active
The PSLO is currently assessed in all of our course level SLOs for history. Combined with our other PSLO, these address what we most want students to gain from our program. Therefore, our means of assessment will be to aggregate the results from this assessment and our additional PSLO. This will provide us with a program wide understanding of our students, including those who earn degrees in history.	70% of students surveyed will score 70% or above on a graded rubric.		Yes
